Columbarium & Memorial Garden

Jesus said, "I am the resurrection and the life, says the Lord. Those who believe in me, even though they die, will live".

John 11:25-26

Our faith in Jesus Christ makes us a part of the “communion of saints,” a fellowship of those living and those who have gone to be with the Lord. A Memorial Garden offers a place to remember those saints who have gone ahead of us. In this prayerful and meditative garden on our new Hecktown Road campus, we remember and thank God for their lives and witness.

In the Memorial Garden will be a Columbarium with 216 niches that can accommodate one or two urns each. There will also be a Memorial Plaque Wall for those who would like to memorialize their loved one who is interred at another location.
